

During the visit of Mustafa Ussif, Champion of MIT REAP Team Ghana, in Jeddah where he met with Osama M. Ashri, Champion of MIT REAP Team Saudi Arabia-Western Region and Loai Naseem.

Mustafa Ussif, Champion of MIT REAP Team Ghana, visited Team Saudi Arabia - Western Region in Jeddah in January 2020. The teams had a really fruitful reflection on the positive experience of both regions' participation in MIT REAP. They also had a discussion on the progress both teams have made, and on potential avenues for collaboration. This comes as part of MIT REAP Global Network initiative to reinforce continuous intra-cohort and inter-cohort collaborations. Mustafa Ussif serves as the Executive Director of National Service Secretariat in Ghana's government. Osama M. Ashri is the founder of Saudi Entrepreneurial Ecosystem Lab. Loai Naseem is the founder of Lomar Selection.
